3. MOTION

“Council is disappointed in the actions and persistent inappropriate behaviour of Cllr MacPherson. The culmination at the recent meeting between the Beauty Denny steering group and the Scottish Ministers may have brought the council into disrepute.

Council requests that, in future, individual councillors take action through the steering group to ensure that we act in concert to make the biggest impact on this important issue. Failure to do this will undermine the case both in the Eastern Villages and on the rest of the power line route.

Council, having no confidence in the judgement and behaviour of Cllr MacPherson dismisses Cllr MacPherson from his role as chairman of the planning panel and moves to appoint a new chair.

Council further requests that the Council Leader considers the position of Councillor MacPherson as a portfolioholder and reports to group leaders whether it is his intention to make a change.”

Moved by Councillor Callum Campbell, seconded by Councillor Alistair Berrill
